

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 203 - SB 1025

February 7, 2013

SUMMARY OF BILL: Encourages local education agencies (LEAs) to utilize local hospitals, doctors, and Project ADAM to develop an information and training program for faculty, staff, and students about sudden cardiac arrest, its causes, signs, symptoms, and appropriate responses to cardiac emergencies, including the use of automatic external defibrillators (AEDs).

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The fiscal impact assumes that the action encouraged by this bill will be implemented and reflects the cost of implementation.
- LEAs that have AEDs have staff members trained in their use pursuant to Tenn. Code Ann. § 68-140-4.
- Project ADAM is a free program designed to help schools with training for cardiac emergencies, including AED use.
- Local hospitals and doctors will donate their time or resources to LEAs that ask for assistance.
- Any permissive increase in local expenditures will be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "Lucian D. Geise".

Lucian D. Geise, Executive Director
